Purpose of this form. This form is required to make a TOD or designation for an account and designate beneficiaries on an Individual or Joint account except a Tenants in Common account. It is also used to replace or remove beneficiary designation from a Transfer on Death designated account. This form will not be accepted to designate, replace, or remove beneficiaries from IRA accounts or employer sponsored retirement plan accounts.

You must **complete all required fields** to expedite processing and to avoid requests for additional information. All fields are required as outlined in detail in these instructions.

Print or type all entries. To type entries, a fillable PDF of this form can be found online at <http://www.etrade.com/advisorservices/advisorforms> **Unknown information.** If information is requested and you do not know where to obtain the requested information, contact your Investment Advisor or client representative for direction.

Important Transfer on Death Information

Transfer on Death (TOD) is a form of account registration which allows an individual who is a sole owner of an account or co-owners of a Joint Account WROS account to designate beneficiaries. Upon the death of the owner(s), this account designation will provide a transfer of account ownership and its assets to the designated beneficiaries without going through any probate or testamentary action.

A TOD registration may only be held on:

- Individual accounts
- All Joint Accounts except Tenants in Common and Community Property.

A TOD registration may not be held on:

- Tenants in Common accounts
- Community Property
- Trust accounts
- IRA accounts
- UTMA/UGMA accounts
- Legal accounts
- Any type of corporate or company accounts.

For all Joint accounts with TOD Designation:

- The TOD beneficiary cannot be a co-owner on the account.
- Upon the death of an account owner, account ownership passes to the other owner(s) and the surviving owner(s) will need to open a new account and designate new Transfer on Death beneficiaries.

Section 1: Request Type

Check the appropriate box to indicate the type of action you want to take with this application.

Important: If you elect "Remove All Beneficiary Designations" for this account, it will be treated as either an individual account or joint account, as applicable, without a TOD designation.

Section 2: Account Type A. Account Type

Check the appropriate box to indicate the type of account for which you are designating as Transfer on Death (TOD).

B. Account Number

Check the appropriate box indicating whether the account being designated as Transfer on Death is a new or existing E*TRADE Advisor Services account. If it is a new account, attach this form to your account application. If it is an existing account, provide the E*TRADE Advisor Services account number and type.

Account type. The account type must match the account number. If it does not match, the form will not be accepted. You can find the correct account type on the first page of your statement.

Section 3: Account Owner(s) Section 4: Beneficiary Information, if applicable

Enter the account owner information for this account.

Do not complete this section if you have elected to "Remove All Beneficiary Designations" in Section 1. Proceed to Section 5.

If no valid beneficiary information is designated for your account, it will be treated as either an individual account or joint account as applicable.

Important: The information provided on this form supersedes and replaces all existing primary and contingent beneficiary designations. You must provide a complete listing of both your primary beneficiary designations and if applicable, your contingent beneficiary designations, not just additions or deletions to the previous designations.

TRANSFER ON DEATH (TOD) DESIGNATION

Institutional Advisor Services

Enter the primary beneficiary(ies) and contingent beneficiary(ies) information for the account listed in Section 2. For each entry, check the appropriate box to indicate if the designated beneficiary is a primary or contingent beneficiary.

Note:

- *The beneficiary must be an individual, trust, or entity. The beneficiary must be named on this form. For example, the terms 'spouse' or 'children' are not acceptable designations.*
- *Beneficiary names provided without the social security number will be maintained on file. These names will not be displayed in your online account inquiry application.*
- *If more than one beneficiary is designated, each asset in the account will be divided based on the percent of account balance designation upon the account owner death.*

Important: Due to important tax consequences, if you do not name your spouse as the sole primary beneficiary and you currently live in a community property state (or ever lived in a community property state while you were married), you may want to consult with your tax or legal advisor concerning community property rights that may apply to your account.

Percent of account balance. The percent of account balances must add up to 100% for the designated primary beneficiaries and 100% for the designated contingent beneficiaries. Enter whole % amounts only. The total must add up to 100% per beneficiary type (e.g. allocation for three primary beneficiaries could be 34%, 33%, 33%)

Note: If any primary or contingent beneficiary dies before the account owner, their interest and the interest of their heirs will terminate completely. The percentage of account balance of any remaining primary beneficiaries will be increased proportionately. If no primary beneficiaries survive the account owner, the contingent beneficiaries will acquire the account assets at their designated percentages.

More than ten beneficiaries. If you would like to designate additional beneficiaries, complete, sign, and provide on a separate document those additional beneficiaries and check the 'Additional Beneficiary Information Provided' box.

Trust as beneficiary. To designate a trust as a beneficiary, enter the beneficiary information as follows.

Beneficiary Name. Provide the full legal title of the trust. Include a list of all trustees and the date of the trust.

Social security number. Provide the Tax Identification Number (TIN) or the social security number for the trust.

Percent of account balance. Provide the percentage allocated to the trust.

Note: If the Tax Identification Number (TIN) for a trust is the same as another beneficiary's social security number, the beneficiary information for the trust will be maintained on file. The trust will not be displayed in your online account inquiry application. Note: Beneficiary information can be provided and/or modified at any time by completing and signing a subsequent Transfer on Death (TOD) Designation form.

Section 5: Spousal Waiver

Complete this section Only if you are a married resident of a community property state (AZ, CA, ID, LA, NV, NM, TX, WA, and WI) and you are not naming your spouse as beneficiary. Legally married account holders of Joint Tenants with Rights of Survivorship (JTWROS) accounts, residing in community property states do not need to complete this section:

Section 6: Signature

Read over the signature section carefully. Each account owner must then sign and date the form.
