# TRANSFER REQUEST

Institutional Advisor Services

**Required Minimum Distribution Notice:** I understand that if this transfer from an Individual Retirement Account is occurring during or after the calendar year during which I attain the age of 70½, or if I am a beneficiary who is subject to a required minimum distribution ("RMD"), the required minimum amount determined under this Individual Retirement Account Retirement Account is still required to be distributed. I further understand that the current Trustee/Custodian is not responsible for making this distribution prior to the transfer. I accept full responsibility for satisfying the RMD applicable to this Individual Retirement Account by withdrawing sufficient amounts prior to the deadline for RMDs for the calendar year of the transfer.

If this transfer leaves the transferor account in one year but does not reach my E\*TRADE Advisor Services Individual Retirement Account until the following year, I understand that this will be an "outstanding transfer" as of December 31st. E\*TRADE Advisor Services, as Custodian, must "deem" that the transfer was received as of the prior December 31st for determining any RMD from the E\*TRADE Advisor Services Individual Retirement Account for the year that the transfer was received. I will inform E\*TRADE Advisor Services of any such outstanding transfer.

**IMPORTANT:** This section is for the delivering firm use only. E\*TRADE is a member of the ACATS system. Delivering firm is authorized to wire proceeds to TCA wire or check is not selected in Section 3.
