B. Account Owner

Enter the account owner information for this account exactly as it appears on your E*TRADE Advisor Services account. For new accounts, enter the account name exactly as it is written on the application form.

Section 2: Reason for Distribution

This information is required for IRS reporting purposes. In most situations, E*TRADE Advisor Services is required to issue a Form 1099-R for distributions from your IRA. Depending on the nature of the distribution, the distribution may or may not be taxable. *Note: If no selection is made, E*TRADE Advisor Services will default to either "normal" or "premature" distribution based on your age. For additional information, consult your tax advisor or the IRS.*

Select one of the following distribution reasons.

- Normal** (age 59½ or older) Also used for a Required Minimum Distribution (RMD) or if you intend to rollover the distribution to another retirement plan within 60 days.

- Premature distribution.** (under age 59½; may or may not be subject to 10% early withdrawal penalty). *Note: For additional information, consult your tax advisor or the IRS.*
- Disability** (under age 59½; not subject to 10% early withdrawal penalty) Under the Internal Revenue Code an individual is deemed to be disabled if "he is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or to be of long-continued and indefinite duration." *Note: The Social Security definition of disability does not apply here. Proof of disability may be required by the IRS.*
- Early SIMPLE IRA distribution** (under age 59½; first contribution was less than two years ago; subject to 25% penalty tax) Use this method if you are under 59 ½, your first contribution was less than two years ago, and none of the exceptions allowed by the IRS are known to apply. You may be subject to a 25% penalty tax. *Note: The two-year period begins on the day contributions were first deposited into your SIMPLE IRA. For additional information regarding exceptions, consult your tax advisor or the IRS.*

Important: Do not choose this distribution reason if the first contribution went into your SIMPLE IRA more than two years ago. Select Premature Distribution instead if you are younger than 59 ½ and the SIMPLE has been in existence for more than 2 years.

Section 3: Distribution Amount

Complete either the full distribution instructions in Section 3A or the partial distribution instructions in Section 3B.

Liquidate assets for cash distribution. To liquidate assets for a full or partial distribution in cash, contact your Investment Advisor to initiate any liquidations required. If your Investment Advisor needs to liquidate assets to cover the requested cash, the distribution will not be processed until the settlement date for the sells. *Note: If you request to liquidate an asset that cannot be liquidated, we will return the paperwork to your Investment Advisor for clarification and no action will be taken on the request.*

A. Full Distribution Amount, if applicable

For full distributions, select the Full Cash Distribution checkbox. *Note: Distributions requiring the liquidation of assets will be processed after all liquidating trades have settled.*

Important: If you are requesting a full distribution, all systematic distributions for the account will be stopped upon receipt of this distribution request.

B. Partial Distribution, if applicable

For partial or systematic distributions, select the appropriate type of distribution and provide the requested information, if applicable.

Gross cash amount. The gross cash amount is the amount before any tax withholding has been applied. Provide the gross cash amount for any distribution reason, including requesting a Required Minimum Distribution (RMD) that has been calculated by you or your tax advisor.

Net Cash Amount. The net cash amount is the amount after any tax withholding has been applied. Provide the net cash amount for any distribution reason, including requesting a RMD amount that has been calculated by you or your tax advisor.

Required Minimum Distribution (RMD) amount. E*TRADE Advisor Services will calculate your RMD amount based on the Type of RMD and spouse information provided in this section.

Full RMD amount. E*TRADE Advisor Services will calculate and distribute the total RMD amount for the year. *Note: Any previous distributions for the year will be ignored.*

Remaining RMD balance. E*TRADE Advisor Services will calculate the total RMD amount for the year, subtract any previous distributions for the year, and distribute the remaining amount.

Important: The RMD calculation will be based on the information available to E*TRADE Advisor Services. The account owner is responsible for notifying E*TRADE Advisor Services if there are any outstanding rollovers, outstanding transfers, conversions, or recharacterizations that are not reflected on the previous year-end statement.

Important: E*TRADE Advisor Services will calculate the RMD using the Uniform Lifetime Table unless the sole beneficiary is a spouse more than 10 years younger than the account owner. If the spouse beneficiary is more than 10 years younger, E*TRADE Advisor Services will calculate the RMD using the Joint Life Expectancy Table.

Prior Year-end Value. If the account was custodied at a prior custodian on December 31 prior to transfer to E*TRADE Advisor Services, please provide the prior year-end value to calculate the RMD.

Section 4: Withholding

Important: The distributions you receive from your IRA account may be subject to federal and possibly state income tax. A. Federal Withholding

Check the box indicating the federal withholding and the percent or amount to be withheld or specify that you want no federal tax withheld. *Note: The total amount withheld must be no less than 10%. B. State Withholding

Check the box indicating the state withholding and the percent or amount to be withheld or specify that you want no state tax withheld. *Note: All state withholding will be rounded to the nearest whole dollar. Important: State withholding is not available for all states. For a list of states available for withholding and the withholding rules by state, refer to the E*TRADE Advisor Services Withholding Information document found online at www.etrade.com/advisorservices/advisorforms.

Important: If your state has mandatory withholding requirements, state withholding (including withholding on Roth IRA distributions) may be processed even if the 'I elect not to have state income tax withheld' box is checked or no state withholding box is checked.
