SECTION 5: Terms and Conditions

INTRODUCTION: This Agreement contains the terms and conditions of the Checking account between the Customer(s) (“I/my”) named on page one and E*TRADE Advisor Services. A Checking account is an account established at UMB Bank (the Bank) for the Customers(s) named on page one. The purpose of this agreement is to authorize the Bank to establish this account for my use as described further in this agreement. By signing this document, I agree that this account shall be governed by applicable banking laws, customs and regulations and by the by-laws, rules, and regulations of the Bank in force and as amended from time to time.

ACCOUNT PURPOSE AND ACTIVITY: Upon my signing this Agreement and the Bank’s opening of my Checking account, the Bank will accept for processing checks imprinted with my name and address. Subject to certain restrictions, as outlined in the section titled Account Restrictions, the Bank agrees to process these checks on my behalf by presenting them to E*TRADE Advisor Services as a means of authorizing E*TRADE Advisor Services to distribute the amount of my check from my Custodial account at E*TRADE Advisor Services to my Checking account.

ACCOUNT RESTRICTIONS:

- Checks shall not exceed 50% of the account value.
- Only the original checks, or certified or guaranteed copies thereof, will be acceptable as debits to this account.

INSUFFICIENT FUNDS: In the event that I should have insufficient funds in my Custodial account with E*TRADE Advisor Services to honor the distribution, I/we authorize E*TRADE Advisor Services to reallocate my/our account to meet the distribution request. I recognize that E*TRADE Advisor Services reserves the right to refuse any check if I/we should have insufficient funds to cover the request for distribution amount.

RETURNED ITEMS: If a check (request for disbursement) should be refused by E*TRADE Advisor Services because I do not have sufficient funds in my E*TRADE Advisor Services Custodial account, or because I fail to maintain a current disbursement authorization form on file with E*TRADE Advisor Services, then the Bank will return the check. Any electronic debit will be rejected and returned to the originator.

COPIES OF CHECKS: I understand that original checks will not be returned to me. I may request a copy of a check by providing my E*TRADE Advisor Services account number, check number, issue date, amount, and payee in writing, either by regular mail or email, to E*TRADE Advisor Services.

CONFLICTING DEMAND/DEATH: In the event of conflicting demands of signatories, the Bank may require the signature of all of the signers. Upon the death or disability of any of the parties, E*TRADE Advisor Services must be notified at once and all withdrawals thereafter shall be upon the combined signatures of the representatives (or other person legally entitled) of the person deceased or disabled and the remaining signers. The Bank will be protected in paying on the signatures otherwise provided for herein until such time as it receives proper written notice of such death or disability.

MODIFICATIONS: I agree that E*TRADE Advisor Services has the right to amend this Agreement at any time by sending me advance written notice of such amendment, including discontinuing any features of this Checking account. My use of the checks following receipt of such notification shall constitute my acceptance of the modification(s).

TERMINATION: I may terminate the Checking account at any time upon written notification to E*TRADE Advisor Services. E*TRADE Advisor Services or the Bank may terminate the Checking account upon written notification to the Account Owner. Termination of the account does not reduce the obligations which rose from activities occurring prior to account termination. If my account is terminated for any reason I will promptly destroy or return any unused checks to E*TRADE Advisor Services.
